ENGLISH LANGUAGE PERSPECTIVE
Educational Institution «Gornostay»

ГОРНОСТАЙ
образовательный центр

Приобретение знаний, понимание культуры и общества других стран являются одной из основных составляющих цивилизации, ведь ОБРАЗОВАНИЕ порождает свободу, независимость и, конечно, прогресс. Именно поэтому международный обмен так важен для развития стран, содружеств и сообществ. Именно такое ОБРАЗОВАНИЕ пропагандирует Образовательный Центр «Горноста́й»

Марина Валевская

ОЦ «Горноста́й» принимает волонтеров из разных стран, представляющих разную культуру, мировоззрения, религии, национальные и этнические принадлежности. Целью программы является – **построение глобальной образовательной среды.**

AIESEC – это международная организация, которая дает молодым людям возможность раскрыть и развить свой потенциал и внести позитивный вклад в общество. AIESEC представлен в более чем **1100** университетах в **110** странах мира.

AIESEC обладает инновационным подходом к привлечению и развитию молодых людей, акцентируя внимание на построении личных связей и на выявлении направлений и целей на будущее.

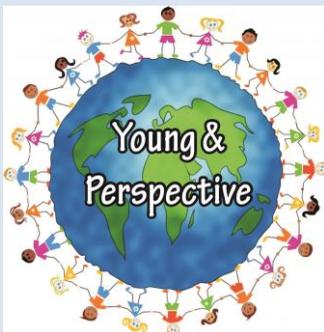

The Knowledge acquisition, understanding of the culture and society of other countries is one of the main components of civilization, because EDUCATION gives rise to freedom, independence and, of course, progress. That is why international exchange is so important for the development of countries, and communities. This EDUCATION is promoted by Educational Center «Gornostay»

Marina Valevskaya

We invite volunteers from different countries representing different cultures, worldviews, religions, national and ethnic identity. The goal of the program is to build a global educational environment.

AIESEC is an international organization that gives young people the opportunity to discover and develop their potential and make a positive contribution to society. AIESEC is represented in more than 1,100 universities in 110 countries.

AIESEC has an innovative approach to attracting and developing young people, focusing on building personal connections and identifying directions and goals for the future.

OUR ENGLISH LANGUAGE EXPERIENCE IN MALTA 2011,2012, 2016

The RBSM Boarding School was founded in 1997 and still remains the first and the largest school in the world that follows the Russian curriculum. The RBSM puts into practice the idea of combining the two systems of education: The Russian and the European ones.

In the RBSM students are following two academic programmes: The Russian basic curriculum, and The International Baccalaureate program.

At language schools in Malta and Gozo, students and teachers from our gymnasium experienced special programme in English language, and in a variety of Courses for all levels, from beginner to advanced.

North Wales 2012, 2013

Coleg Llandrillo Cymru is the largest College in North Wales with around 22,000 learners studying either on campus, in the community, in the workplace or over the Internet.

COURSE DELIVERY & STRUCTURE

Students follow a full-time programme with lectures, seminars, workshops and tutorials for a minimum of 15 hours per week over one year. The course may be offered as an intensive programme with 20 hours of study per week over 9 months. Students who require additional English support are able to attend additional English classes.

CHINA
URUMQUI 乌鲁木齐 2010 - 2017 school years

Exchange programme with foreign language school in Urumqui provide a great opportunity for our students to practice English and Chinese. English, as a multinational language, is having a profound effect on Asian's language policies, as it is of economic, political, educational and cultural value.

The Russian language has been gaining popularity in China, no matter how strange it may sound.

In China, students rush for special courses to study Russian.

So exchange programmes between our schools will help us gain language and cultural experience.

When I look into the future
There 's only one country for all people
There 's one language for all to communicate
There 's no anger and hatred
But there isn't any possibility to make it come true.
Сергеева Полина, 6 А

When I look into the future
There are lots of friends and smiles
There 's always summer
There are shops and cinemas everywhere
But there aren't any exams and tests!
Белоногова Саша, 6 Б

When I look into the future
There are a lot of spaceships
There are a lot of robots
There 's a happy life!
And there aren't any bad people.
Халина Саша, 5 Б

When I look into the future
There 's a big blue sky
There are a lot of flowers and trees
There are aliens from other planets
But there aren't any schools!
Бирюков Ростислав, 5 А

When I look into the future
There are a lot of dreams in my head
There are flying machines and new technologies
There are new sciences and discoveries
But there aren't any wars!
Афонникова Света, 6 В
